Dear Parents,

This year, our class will participate in the **BOOK IT! ® Reading Incentive Program** as part of the reading we do inside and outside the classroom. Sponsored by Pizza Hut®, this program motivates children to read by rewarding them for their reading accomplishments.

This is how it works:

- **I will set monthly reading goals for your child in the beginning of each month.**
- When the monthly reading goal is met, I will present your child with a **pizza award certificate** good for a **free, one-topping Personal Pan Pizza®** from participating Pizza Hut® locations. There is no purchase required and the pizza can be taken to go.
- If your child meets the reading goals all six months of the program, he or she will become a **BOOK IT! All-Star Reader**.

I want your child to love to read and be a successful reader. By working together, we can build those skills that make reading an enjoyable part of your child's everyday life.

For the month of October, our class goal is reading 5 books and writing report about it. When they finish reading a book, let them complete the book report form. They can do it in the classroom or at home. I will check the book report only at the end of each month. But whenever they are done with the report they can submit the report. I will remind them in class and I expect you also would do the same.

- The students are asked to do 5 book reports every month. Extra credits will be given to the students for more book reports.
- If you think it is hard for your child to do 5 book reports, please let me know and I can reset the goal for that child.
