

WITH THE GRACE OF OUR LORD

EVERY CHILD EVERY CHANCE EVERY DAY!

September 8, 2009

Dear Parents/Guardians,

St. Walter School is embarking on a new frontier this year. We will attempt to have our first All School Musical Production.

Undertaking a production of this magnitude involves a lot money, resources, volunteerism, time, dedication and energy. Mr. Whitaker and I are ready to commit to this adventure, but it is important that we will have the necessary support and resources for this project.

There will be a Pre-Musical Meeting held on:

**Thursday, September 24, 2009**

**8:00 – 8:45 p.m.**

**Peterson Hall**

If you, your child, or a family member is interested in participating or assisting with the Musical Production, it is very important to attend this meeting. If we do not get the response needed we will not be producing a Musical this year.

Please return the bottom portion of this letter to let us know of your intentions. Hope to see everyone there. (Students are not required to attend).

Sincerely,

Mrs. Laura Kennedy  
Principal

Anthony Whitaker  
Music Teacher
